For a Hero

Bradford West Gwillimbury Mayor Doug White joins the Collier familiy in unveiling the street sign identifying "Brian Collier Way," on July 1.

The Town of Bradford West Gwillimbury celebrated Canada Day in an especially meaningful way.

There was the usual evening celebration at the old arena, capped off by fireworks - but at 1 p.m. on July 1, over 300 people gathered at the new BWG Leisure Centre on West Park Avenue for a ceremony honouring Sapper Brian Collier.

Collier, a Bradford resident, was just 24 when he was killed in Afghanistan, on July 20, 2010, by an improvised explosive device. The Town has named the road between the Leisure Centre and new Bradford Public Library & Cultural Centre, "Brian Collier Way," and officially unveiled both a plaque inside the Leisure Centre, and the street sign.

It was an appropriate tribute. Brian attended Bradford District High School, just next door, and was an avid hockey player.

The Collier family was in attendance, as well as members of

HERO, from Page 1

Brian Collier's "armed forces family," including Colonel Louis Meloche, now Brigadier-General; members of Town Council, and local politicians.

Meloche described Collier as "truly a distinguished Canadian soldier. He chose to serve... He was one of the best soldiers we ever had." He remembered the community outpouring at the funeral for Collier, "and today, what the community is doing is just outstanding."

Member of Parliament, the Hon. Peter Van Loan told the standing-room-only crowd that Canada Day was a time to celebrate the country, and "freedom, democracy, the rule of law - the very things Brian was fighting for when he lost his life."

The plaque and street name will be a highly visible reminder, Van Loan said, both of the individual, and the struggle to defend those values. Future generations will ask, "Who was that Sapper Brian Collier? Who was he, and why is he recognized that way?... There's no better time to remember than on Canada Day. Thank you to the Collier family for all that you have given."

Canada Day is a time to "think about our traditions, our values and our freedoms, and the cost," said MPP Julia Munro. The ceremony to recognize Brian Collier "speaks to that tradition and responsibility," she added. "It is a continual responsibility to protect.... This will become the centre, the Civic Centre, of the life of Bradford West Gwillimbury, and the sacrifice that Sapper Brian Collier made deserves to be in the centre of Bradford West Gwillimbury."

Mayor Doug White spoke of both celebration, and sorrow. Canada Day is a time to celebrate, he said, "but what we also have to realize is, a lot of people who came before us paid a very steep price" - a realization that hits home, when a young person makes the ultimate sacrifice.

From the plaque at the Leisure Centre: "*Your Fight is for Freedom*
Your Heart is for Peace, and
Willing to Die for Honour.
The Heart of a Hero."

Making a splash in Bradford!

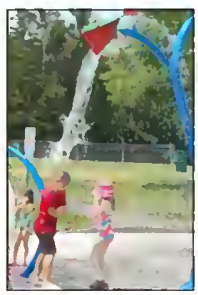

Photos and story by Miriam King, Bradford Times

Facilities Manager Mike O'Hare, at the new Lions Park splash pad, which opened June 28. Below, one of the water play features in action!

The timing couldn't have been better: with temperatures soaring into the mid-30s, the Town of Bradford West Gwillimbury turned on the taps on June 28, and launched the municipality's first 2 splash-pads.

The splash-pads, located at Lions Park on Colborne St., and Kuzmich Memorial Park, officially opened at noon - and there were line-ups of kids at both locations, waiting for the water to be turned on.

Up at Lions Park, the brightly-colored equipment drew plenty of youngsters, who quickly figured out that hitting the button on top of the red poles would activate the various water features, for up to 4 minutes at a time.

They ran through the water fountains, and through the "car wash" rings, aimed giant water guns at each other, and stood beneath the water bucket, waiting for it to fill, and dump.

Of course, things weren't perfect, noted Manager of Facilities, Mike O'Hare. "It's sort of a work in progress" - with a need to adjust and fine-tune some of the features, balance and improve water pressure.

But there was enough to ensure that the kids were "having a ball," he said.

The splash pad at the Lions Park cost about $220,000 - from design to completion. Now that the Town has a template, there are plans to eventually install at least two more splash pads, ensuring that each quadrant of the Town has one of the water play areas.

There are also plans to plant more trees to provide shade, install more benches for parents and caregivers, and to encourage kids to get out there, "going 100 miles an hour" and having fun.

There are some rules that Leisure Services hopes everyone will follow. There is no Town supervision of the splash pads; parents/caregivers are asked to supervise their children.

Slip-resistant footwear is recommended. Bikes, scooters, skateboards and rollerblades are NOT allowed in the splash park. The water is not intended for drinking. And tots who are not toilet trained should wear pool diapers.

The splash pads are open and activated from 9 a.m. to 8:30 p.m., 7 days a week - June to September.

Friday Harbour partners with LSCF

Big Bay Point Resort.

It's a name with a lot of baggage, much of it negative, after environmental and special interest groups battled developer Geranium/Kimvar at the Ontario Municipal Board, in an effort to stop the golf course, marina and condo development in Innisfil.

The battles are over, construction on the 600-plus acre site has begun, and developer Geranium Corporation has unveiled a new name for the resort, as part of its branding and new image: Friday Harbour.

It's all about bringing cottage life within reach of the city - and about providing the amenities that resort-goers now demand.

Geranium has partnered with RePlay Resorts Inc. - the company which, as InterWest, was behind the development of Whistler and Mont Tremblant resorts.

"We've been listening carefully for 10 years to what the Innisfil community wants to see in an imaginative, all-season resort on the shores of one of Ontario's greatest lakes, Lake Simcoe," said Earl Rumm, Geranium principal.

Friday Harbour includes a championship golf course on the western third of the property, designed by Doug Carrick; and a 1000 slip marina on Lake Simcoe, 1,600 condo units, a 400 unit hotel and conference centre, plus shops and restaurants on the eastern third.

It also includes preservation of the natural environment: 214 of the 600 acres have been designated as Environmental Protection. With the exception of one access road, and walking trails, the central lands will be untouched - and enhanced, with new amphibian breeding pools, habitat for turtles and snakes, and a butternut tree planting program.

Rumm noted that not only will the golf course reuse stormwater for irrigation, the servicing of Friday Harbour will bring municipal sewers to

FWIO vows to keep fighting

Recent news reports of illness linked to the consumption of raw milk have prompted the Federated Women's Institutes of Ontario (FWIO) to remind Canadians that raw milk increases the risk of contracting a serious food-borne illness, such as E.coli. Since 1991, raw milk sales have been strictly prohibited under the Food & Drug Regulations. The only raw milk product legal in Ontario is hard cheese that has been aged for 60 days or more.

Consuming unpasteurized milk has been an important issue throughout the history of Women's Institute. Co-founder Adelaide Hunter Hoodless was behind the drive to pasteurize milk, after her 18 month old son died in 1896 from drinking raw milk contaminated with the Tuberculosis bacterium.

The mandatory pasteurization of milk since 1938 has resulted in a significant decrease in illnesses and deaths which were attributed to raw milk consumption. Unfortunately, the debate over the safety of raw milk still continues in 2012.

Farming methods have improved greatly, yet 4% of Ontario's raw milk continues to carry pathogens. A person who drinks raw milk can act as a carrier for the pathogenic bacteria within. Health Canada routinely issues an advisory every year, warning consumers about the possible perils of drinking raw milk. The most susceptible are young children, the elderly, and pregnant women, who could miscarry as a result of infection. Dr. McQuigge stated, in 2007, "Unpasteurized milk is one of the most dangerous sources of food-borne diseases known to mankind" - yet there is pressure to permit the sale of raw milk.

The FWIO has vowed to continue to demand the pasteurization of milk.

Munro nominated

Julia Munro has been nominated as the Ontario Progressive Conservative candidate for York-Simcoe. Ontario PC Leader Tim Hudak congratulated the MPP for nomination, and thanked her for her "unwavering focus on reducing the size and cost of government and kick-starting the economy to create private sector jobs."

Bond Head 175 Festival Committee members, Pat Cranston, left, and Lynda Usher, Committee Chair - dressed in pioneer garb for the Festival, June 22-24 in Bond Head.

letters to the editor

Kudos for super festival

To the editor: We, the people of Bond Head, would like to take this opportunity to extend our sincere gratitude to all those who contributed their long hours of labour and insight to the best event Bond Head has undertaken.

What an extravaganza - from the antique cars, the biggest parade, Opening Ceremonies, fun-filled activities for all ages, entertainment on two stages, contests, tours, history, speakers, meals, treats, shopping, to the largest outdoor "church in the park" I have attended! Best of all, a chance to rekindle old friendships, with visitors some of whom came a great distance to be here.

A heartfelt thanks to Lynda Usher and her executive committee, of Pat Cranston, Bev Ferguson, Jim Cerswell, Mikki Nanowski, Barry Jaynes and the Lions Club - along with all those who contributed their time and monies, to make this the most memorable occasion Bond Head will remember for years to come.

Donna Login, Bond Head

Bond Head under threat

To the editor: It was disappointing that Bond Head Resident and Councillor Carl Hordyk chose to be on the side of the developers, and approve the Draft Plan of Subdivision application for the Hamlet of Bond Head - even to the extent of allowing the development of 606 housing units in the Southeast Quadrant of Bond Head with just one road access, Mulock Drive, and the promise, "Don't worry, trust us, it will be okay."

Our Councillor's rehearsed speech, stating that he had confidence in Town staff, did not impress us. You were elected to represent us, not Town staff. Thanks for your support - it will be remembered and returned during the next municipal election.

The usual process for an application is for it to be reviewed in Committee of the Whole, for discussion, giving Council the opportunity to ask the applicant to make any changes deemed necessary. However, this application did not go to Committee of the Whole. Instead, the powers that be decided to take an All or Nothing approach, going straight to Council - knowing full well it would be approved, since deferral would stop the 400 Employment Lands, we were told.

Those who approved this draft application can proudly stand up and say, I did that. When, 10 or 15 years from now, they see they have destroyed what was once the quiet, peaceful, historic little Hamlet of Bond Head - where just this weekend, assistance was eagerly volunteered to help celebrate the 175th birthday - this will be their legacy.

Concerned residents of Mulock Dr.
(Name witheld at request of Author)

Concerned - not confused!

To the editor: Re "Confusion over Bond Head plans."
Anyone in business considers the worst case scenario. The key to Mr. McKnight's quote is "As long as that 'Hold' is in place, our staff cannot issue permits (for new development in Bond Head.)" So the worst case scenario is that these 5 developers come to Bond Head, scrape the entire four points of the Hamlet ready for development and sewer hook-ups and then, when there is no Industrial progress at the 400 Employment lands, come to Council and hold them hostage, forcing their hand to issue Building Permits ahead of Employment development.
The entire project is ill-conceived, and without the 27 Bypass, this Hamlet will be a mess, regardless of the situation at the 400

see LETTERS Page 5

letters to the editor

LETTERS, from Page 4

Employment lands. I mean, let's face it, 28,000 sq. m. of industrial development isn't going to be a drop in the bucket for employing a town with roughly 5000 new inhabitants added to its existing population.

The 6 members of Council who accepted this huge document that deals with the fate of Bond Head, with only one week to read it, are fooling themselves. The developers have the developers' financial best interests at heart - that we can be assured of. The fact that they have banded together to produce one document of this magnitude should be a warning signal in and of itself. These five developers now have the upper hand and there will be little that can be done about it if they are not true to their word.

Mom 2 Mom Donation to Food Bank

To the editor: Bradford held another successful Spring Mom 2 Mom Sale on May 12 of this year. It could not have been accomplished without the help of the Town of Bradford West Gwillimbury, which donated the use of the Bradford Community Centre; the vendors who participated; and the public, who lined up before the sale event opened.

A special Thank You to our wonderful volunteers Ken, Corey and Vivian. We were able to make a donation of $900 - the proceeds of vendor rentals and $1 admission fee - to the Helping Hand Food Bank in Bradford, which helps up to 400 families in this area.

A fall sale date will be decided soon. Stay tuned, or for more information, look on our Facebook page, Bradford Mom 2 Mom Sale. We look forward to seeing you then!

SEASONAL HOMES AND CAMPSITE FIRE SAFETY

Getting away from the city is a great way to relax. Whether you are at the trailer, RV, cottage or camping in the woods, taking the time to follow these simple safety procedures will help you make the most of your vacation.

- Just like your home, your trailer, RV, cottage or cabin must have working smoke alarms on every storey and outside sleeping areas. It's the law. Fires in these types of seasonal homes can spread incredibly fast. Pack a smoke alarm with fresh batteries when heading to the trailer, cottage or cabin. In addition to smoke alarms in these homes, carbon monoxide detectors should be installed outside of all sleeping areas.
- Smoke alarms should be tested before sleeping in any of these seasonal homes and then monthly and after any absence of more than a few days. Replace any smoke alarms that may be more than 10 years old. Failure to comply with the applicable Fire Code smoke alarm requirements can result in a ticket for $235 or a fine of up to $100,000.
- Have chimneys cleaned and inspected every year. Heating systems should be inspected annually by a qualified service technician.
- Check your local municipal office or Ministry of Natural Resources for burning restrictions or bylaws before burning grass or brush around the cottage.
- Build campfires on bare soil or exposed rock, well sheltered from the wind. Keep a pail of water and a shovel on hand to control the fire.
- Douse campfires with water and stir the ashes with a stick or shovel to allow the water to soak in and cool the ashes and the ground.
- Campfires should never be left unattended and must be thoroughly extinguished before leaving the site.
- Extinguish cigarette butts by dousing them with water or crushing them thoroughly in bare mineral soil or on bare rock. Never discard a burning cigarette in the bush.
- Allow portable generators, stoves and lanterns to cool before refuelling. Refuel on bare soil or exposed rock.

For further information on fire safety and prevention, call the Fire Prevention Division of the Bradford West Gwillimbury Fire Department at (905) 775-7311 Ext. 4103.

Notice of Application of Larvicide for Mosquito Control in Bradford West Gwillimbury

From July 3, 2012 to August 31, 2012, the Town of Bradford West Gwillimbury, under the authority of the Simcoe Muskoka Medical Officer of Health will conduct a program to control mosquito larvae (immature mosquitoes) in standing water in order to prevent their development into potential carriers of West Nile virus. The program will be carried out in **Bradford West Gwillimbury and includes subdivisions of Golfview, Kilkenny Trail and Foster's Forest.**

The larvicide **(Altosid Methoprene PCP#21 809,)** will be applied by direct hand application to catch basins of storm drains in the following area 8th Line to 6th Line and Holland River to Sideroad 10 & subdivisions noted above.

The larvicide **(Altosid Methoprene PCP#21 809,)** is a registered larvicide approved for use by the federal government. This application will be carried out by Ministry of the Environment licensed applicators or trained technicians. For details on the exact locations and date of treatment, call **905-778-2055.**

For general inquiries about West Nile virus, call Your Health Connection at 721-7520 (1-877-721-7520) or click on www.simcoemuskokahealth.org.

Barbeque Safety 101

Summertime is a fun time. Few things can match the fun and enjoyment of a barbeque with family and friends. Practice sensible, safe barbequing and your summer get-together will be a sizzling success. Please consider the following barbequing safety tips:

- At the start of the season, make sure the burner ports are free of rust or dirt and that the burner orifice is clear of dust and cobwebs.
- Check cylinder connections and hoses for leaks by brushing a 50/50 mix of liquid soap and water onto all connections and hoses. Rising bubbles when you turn on the valve indicates a leak. Tighten connections or repair the hose until there are no bubbles.
- When lighting the grill, always have the lid open. Open the valve at the cylinder, then turn on the barbeque controls and light the burner using the igniter button. If there is no lighter, insert the flame from a long match or barbeque lighter through the side burner hole. Light the match before you turn on the gas at the grill controls.
- Keep loose clothing away from the barbeque when cooking. Never leave the barbeque unattended when cooking.
- After barbequing, turn the gas valve off first, and then turn off the burner controls so that no gas is left in the connecting hose.
- Transport a propane cylinder safely by placing it in a secure, upright position with the safety valve on top. It is preferable to transport it on the floor of the passenger compartment. Make sure the windows of the vehicle are open.
- Never use or store a propane barbeque indoors or in any enclosed space, including a garage.

For further information on fire safety and prevention, call the Fire Prevention Division of the Bradford West Gwillimbury Fire Department at (905) 775-7311 Ext. 4103.

over 1000 existing homes, eliminating reliance on septic beds.

And Geranium Corporation has partnered with the Lake Simcoe Conservation Foundation, through the "Inspiring Greener Communities" program. Geranium and Friday Harbour have pledged $500,000 in initial support for the Foundation, to enhance local environmental programs, and environmental awareness projects.

"We recognize our population is growing at an unprecedented rate," said Cheryl Taylor, the Foundation's Executive Director. "We need to ensure there is balance, and work together to achieve sustainable and low-impact development and the continued creation and restoration of local trails and natural areas.

"When new residents move into their homes, this program will provide them with local eco-friendly products and services. It will connect them to the Lake Simcoe Watershed, and enable them to become active partners in their environmental community."

Magna Wild West Hoedown for Charity

Big Brothers Big Sisters of York has been chosen as one of 20 charities to receive funding from the Magna Wild Wild West Hoedown, which takes place at the Magna Campus in Aurora on September 15. Tickets for the Hoedown are $70 per person for a Texas-style BBQ, silent auction, live entertainment and more - and raffle tickets are 3 for $20, for a chance to win a 1st prize of $75,000 cash. Tickets for both are available at the office of Big Brothers Big Sisters of York, 350 Industrial Parkway South in Aurora.

They're so adorable when they're having fun.
(So are the kids.)

At Timbits Soccer, everyone gets into the game. Kids make new friends, and parents have fun cheering them on. Your local Tim Hortons is proud to support over 200 boys and girls playing Timbits Soccer in the Bradford area.

The first goal is having fun.®

At the Bradford Legion

Friday Night Meat Rolls take place every Friday at 6 p.m. Come out, enjoy a light dinner for a nominal fee - and perhaps win the meat for Saturday Dinner. On the first Friday of the month (July 6) enjoy Karaoke with Bob Serran, starting at 8 p.m. following the Meat Roll. All welcome.

On Saturday, July 7, come out to the Legion to hear **Back Street Band**, playing from 1 to 6 p.m. The band is made up of Legion members and friends, and there is no cover charge. Food will be available.

Summer Line Dance Lessons at the Bradford Legion Thursday nights from 7:30 to 9 p.m., to September 13. Instructor is Gloria Kirchner, of N'Step Country Line Dancing. Only $5 per lesson - come out for fun, and great exercise!

The weather is getting nicer, the days are longer - and Horseshoes are back at the Legion, Wednesdays at 6:30 p.m. Come out to play.

Do you want to stand behind our troops and veterans, enjoy comradeship and activities, and support youth programs in the community? Consider membership in the Legion. For more information, contact Donna at 905-775-5025.

The Legion is here for Canada's Vets. There is support available for veterans and their spouses, whether at home, or in a nursing home or care facility. You don't have to be a Legion member to ask for assistance. Call Gord Dodgson at 905-775-4905.

The banquet room at the Legion is available at reasonable rates. Call 905-775-5025 for details.

Happy 145th, Canada!

Bouncy castles, Bradford Lions' burgers, Rotary pop, Bradford Scouting Beavertails, live entertainment on the main stage, and fireworks at dusk - the Town of Bradford West Gwillimbury's Canada Day celebration at the old Bradford Memorial Community Centre attracted thousands of people to the annual party.

Main stage entertainment included performances by Elite Dance Corps, juggler and ventriloquist Tony Molesworth, and comedian and plate-spinner John Park. Elvis tribute artist Vili Vi wrapped up the entertainment - joined on stage by youngsters who danced and sang along.

This year is a milestone in Canadian history. Not only is it the 145th birthday of the country itself, it's the Queen's Diamond Jubilee, marking the 60th year of her reign; the 175th birthday of both the hamlet of Bond Head and the Rebellion of 1837; and the 200th anniversary of the War of 1812 - the first time "Canadians," not just the British, fought to defend their land.

One of the highlights of the Canada Day celebration is the presentation of the annual Bradford West Gwillimbury Civic Awards, recognizing citizens for their contributions to the community, over the past year. This year, 9 awards were presented "to residents who have gone above and beyond, for our Town, our Province, our planet!" said Mayor Doug White.

Outstanding Achievement Award - presented to Joey Mazzucco and Matthew Phillips. The nine-year-olds organized a Fedora Day, April 20 at Mother Teresa Catholic School in Bradford, challenging students to donate a twoonie, for the opportunity to wear the hat of their choice. Joey, who was diagnosed with Ewing's Sarcoma in 2009 and lost his hair to chemotherapy, wears a fedora that has become his trademark. The event raised over $660 for the Million Dollar Smiles foundation, to provide support and special treats for kids battling cancer.

Volunteer Service Award. There were 2 winners this year. Carol Belanger received the award for her work with the Holy Martyrs of Japan Church Choir, which she has directed for the past 30 years; the Catholic Women's League; Bradford West Gwillimbury Minor Hockey Association and OMHA; Helping Hand Food Bank, Heart & Stroke Foundation, and her visits to entertain residents at Bradford Valley long term care centre - and before that, the old TLC Nursing Home.

Bonnie West was recognized for her work with the Tec-We-Gwill Women's Institute over the past 34

Tim Hortons' Give a Little, Ride a Lot

It's been a smash success in the past, and now it's back: Tim Hortons' "Give a Little, Ride a Lot" program, that recognizes local "heroes."

Anyone who does a good deed can enter or be entered in a monthly draw for a Mountain Bike - part of a Tim Hortons program to celebrate community spirit. Simply fill out a ballot, describing the good deed done by you or another. Drop off the ballot at any of Bradford's 3 Tim Hortons locations -440 Holland St. West, 118 Holland St. East, 185 Bridge St. - and once a month, in July, August and September, a lucky winner will be chosen.

Doing good is its own reward - but sometimes a little recognition is nice!

years - in roles that have included secretary, treasurer and president, and convenor of a monthly seniors' meal. She has been involved in 4-H activities, was a member of the Newtones Choir, canvasser for the Canadian Cancer Society, active member of her church, and teacher of a Music for Young Children Program.

Youth of the Year: Ashley Guay, long-time Bradford Scout, winner of the Scouting Centennial Medal for Volunteerism, and Youth Area Commissioner for South Lake Simcoe Scouting. She is also a volunteer at her church and elementary school, and a fund-raiser for the Ontario Society for the Prevention of Cruelty to Animals.

Organization of the Year: Bradford District High School Drama Club, for their outstanding achievement at the Sears Drama Festival this year, with their presentation of Painting Kayla. The production won several awards - Merit Awards to Zach Gauthier and Billie Cundell for their roles, an Award of Excellence to actor Matina Walton, and the Scholarship Award for Directors to drew Murdoch - and was chosen to go on to the Regional level of competition.

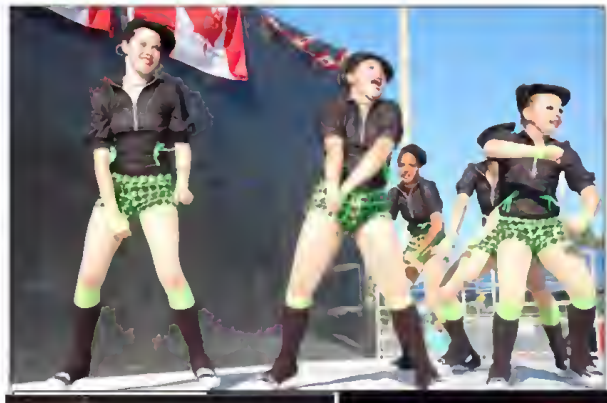

Senior of the Year: Anne Silvey, president of the Board of Directors of the Helping Hand Food Bank for the past two years, former Commanding Officer of the 94 Squadron Air Cadets out of Newmarket, leader of a craft circle at Trinity Anglican Church, and volunteer with the Bradford Community Meal, a free meal served every Friday evening at Bradford United Church.

Community Builder Award: Anne Nadon, teacher and guidance counsellor at Holy Trinity High School, and a dedicated coach, for the past 13 years. She not only tutors students, volunteers for the Terry Fox Run, and is an advisor for the School Athletic Council, she is an inspiration and mentor for countless students who have gone on to excel in Track & Field, Volleyball, flag football and other sports - promoting school spirit and community involvement.

Athlete of the Year: Ashley Campbell, a former Timbit soccer player with Bradford Minor Soccer, who went on to play Rep Soccer with the U13 Newmarket United Lasers, join the U14 Ontario Provincial Soccer team - and lead the provincial girls to Gold at the Championships. She was not only captain of the provincial team, but captain of the Holy Trinity Girls' soccer team for 3 years, Athlete of the Year at the school twice, Soccer MVP, and in 2011, the Ontario Youth Soccer League's leading scorer. She has now been offered a soccer scholarship to the University of Dayton, Ohio, and continues to balance school and soccer.

Citizen of the Year: Jack MacFadden, educator, author and long-time volunteer. MacFadden is the Founder of Bradford's Coats for Kids campaign which invites residents to recycle unwanted and outgrown gently-used children's winterwear, which is made available free of charge to families in need. It is not only an effort to ensure that no child has to face a cold Canadian winter unprepared, but a means to involve and engage young people in volunteering and civic awareness. Coats for Kids has also participated in international clothing drives and emergency response, and over the past 3 years, provided support for Mishkeegogamang First Nations, a remote Ontario community. MacFadden organized the first Buy a Book, Share a Book Literacy fair in Bradford, to collect up-to-date educational resources for Mish, and raise awareness.

Members of Town Council presented the awards - a fitting activity on Canada Day, said MPP Julia Munro, because "volunteering is part of Canadian culture!"

Save the Tiger!

The Giant Tiger store in Bradford, located at 180-182 Holland St. West, has been in business for over 7 years - a Junior Department Store that has provided employment, convenient shopping in the downtown core and outstanding community support.

The store sells everything from fashion and footwear to food - a Canadian-owned alternative, that offers a one-stop approach to shopping. Giant Tiger has also earned a reputation for generosity, for its support of local fundraisers and programs designed to assist low-income residents.

But the word has come down: The corporately-owned store will be closing its doors on September 28.

It's a head office decision. When contacted, Janie Aker, Manager of Public Relations and Community Activation for Giant Tiger Stores Ltd. confirmed the closure, noting, "Our Bradford store is surrounded by other Giant Tiger locations, including those in Alliston and Newmarket, which seem sufficient to serve our customers in the area. The decision to close is final."

Alliston is 45 minutes away by car. Newmarket is only 15 minutes down the road, but for those without a vehicle, a shopping trip will mean travel by both GO Transit and York Region buses.

Akers admits that with the big box stores being built further west on Holland St., "people have not been shopping downtown, and we must therefore close this location."

Loyal shoppers have been expressing their concern, and their disappointment. There is a growing movement to "Save the Tiger."

Giant Tiger can be reached at ***customerservice@gianttiger.com*** or write to Giant Tiger Stores Ltd., 2480 Walkley Road, Ottawa ON K1G 6A9. But money talks loudest: if shoppers want to keep Giant Tiger in town, they'll have to shop local.

Bradford Farmers' Market

The musician didn't show up for the Queen's Diamond Jubilee celebration at the Bradford Farmers' Market on June 30 - he had laryngitis - but there were plenty of Union Jacks, give-aways and recorded music of The Beatles to set the mood, as vendors donned their best hats and fascinators.

The Bradford Farmers' Market takes place every Saturday from 7:30 a.m. to noon at the Bradford Public Library & Cultural Centre parking lot, 425 Holland St. W. - offering fresh produce, flowers, potted plants and herbs, preserves and jams, baking and sweet treats, Dingo Farms meat products, and much more.

At left, volunteer Gloria Rezler hands out models of double-decker buses.

BBT BBQ!

The Bradford Board of Trade hosts its annual BBQ on Friday, July 13 from noon to 2 p.m. at the Millennium Clock Tower in front of the Treasury Building, 61 Holland Street E.

All are invited to drop by for free hamburgers and hot dogs, courtesy of M & M Meat Shops, to learn more about the Board.

Euro Cup 2012 is over. Right, Spanish fans celebrate on July 1, after Spain defeated Italy in the Final, 4-0. But the celebration was subdued - nothing like the outpouring of sentiment that closed Holland St. West in Bradford on Thursday, June 28 (see below), when Italy won its Semi-final match against Germany. Police blocked off a portion of the road, after fans waving flags poured into the street to celebrate.

Rebecca Run for SMA

The annual ESSO Rebecca Run for SMA (Spinal Muscular Atrophy) takes place this Saturday, July 7 at Fairy Lake Park in Newmarket - with a 1K Kiddies' Scamper for ages 10 and under beginning at 8:45 a.m., 3K Run/Walk at 9 a.m., and 5K timed Run/Walk at 10 a.m.

SMA is the #1 genetic killer of children under the age of 2, destroying the nerves that control the voluntary muscles involved in walking, sitting, even swallowing. One in 6,000 infants is affected by the condition - and 1 in 40 people carry the gene for SMA.

Register at the Running Room at 17725 Yonge St. in Newmarket, at Fairy Lake on the day of the Run, or online at ***www.rebeccarun.com***, and help raise money for a cure. As an incentive, raise $200 or more and receive a Best Buy gift card.

There will be t-shirts for the participants, a BBQ following the Run/Walk, and an opportunity to learn more about SMA. This year's Rebecca Run Honoree is 2 year old Stella Adele Bartlett, an SMA child.

The ins and outs of ATVs

South Simcoe Police - The Town of Innisfil and South Simcoe Police have received a number of complaints regarding All Terrain Vehicles and Motor Bikes being operated in a careless or dangerous manner, on municipal roads, private roads and on private property.

Police are reminding ATVers that the Provincial Government passed legislation in 2003 that allowed municipalities to permit ATVs access to public roads. Innisfil enacted a By-law that allows ATVs to use local roads - but there are restrictions.

The By-law permits ATVs to run on Municipal roads - but NOT on Simcoe County roads. Among the exclusions are County Rd. 21 (Innisfil Beach Rd west of the 20th SR); County Rd. 4 (Yonge St.); County Rd. 27, and 5, 10 and 20 Sideroad.

ATVs must operate on the shoulder; if the shoulder is impassible or unsafe, the rider can move to the travelled portion of the road. ATVS are NOT allowed on rights-of-ways, including medians, boulevards and unopened road allowances, unless otherwise posted.

ATVs cannot operate in construction zones, or on closed roadways.

Trespassing makes up the largest number of complaints received by police every year. Just because a property does not have posted signs prohibiting entry to a property does **not** give ATVs the legal right to ride there. Entry may be prohibited by a sign stating, "No Trespassing" or "Entry Prohibited", etc. or a red circle, 10 cm. in diameter.

Even if signs are not present, if the property is a garden, field or land that is under cultivation - and that includes woodlots on agricultural lands, lawns, orchards, vineyards or lands where trees have been planted and are not yet 2 m. high - or is fenced, it is trespassing to enter the property. The Trespass to Property Act can hold trespassers financially responsible for damages to the property; those found trespassing can be arrested and charged.

ATVs must travel slower than the posted speed limit - a maximum of 20 kmph on roadways where the speed limit is 50 kmph or less; and a maximum of 50 mph on roads where the speed limit is over 50 mph.

When off private property, ATV riders must wear a motorcycle helmet and have either a valid G2/G driver's licence or an M2/M Motorcycle Licence, plus registration and insurance. ATVs must be registered, and have a valid permit and licence plate attached.

It is against the law to drink and ride an ATV, or ride when impaired by drugs. If an ATV driver is impaired, Over .80, or refuses a breathalyzer test, police can and will lay a charge under the Criminal Code of Canada - and all of the consequences that apply to the driver of a car, will apply to the driver of the ATV.

Bradford West Gwillimbury has NOT passed a by-law permitting ATVs to ride on municipal streets; riding on any municipal road in BWG is illegal.

Boater Safety Information Day

York Regional Police Marine Unit invites the public to the 12th annual Boater Information Day, Saturday, July 7 from 10 a.m. to 3 p.m. at Crates Marina, 290 The Queensway South in Georgina. Includes displays and tours of Marine Unit vessels from York Regional and South Simcoe Police, information displays by the Power and Sail Squadron, Ministry of Natural Resources, Canadian Safe Boating Council, York Region EMS, and Georgina Fire Dept., and a BBQ. On-site Pleasure Craft Operators Card testing is offered through Essence Sea Boating.

Each year, people die in boating accidents on Ontario waterways, often due to poor decision-making. Most fatalities are preventable:

- Carry all necessary safety equipment, in accordance with the Small Vessel Regulations.
- Never drink and boat.
- Always tell someone your plans before leaving shore, and carry a cell phone with fully-charged battery.
- Make sure everyone on board WEARS their approved flotation device or PFD.
- Watch the weather conditions.

Golfing for Mishko

June 22 was a very special day in Bradford. The community came together for the 2nd annual Charity Golf Tourney at The Highlands Golf Club, sponsored by Century 21 Heritage Group Real Estate.

This is a major fundraisingactivity for charity that benefits local kids with special needs. The charity was started by Sales Rep Luis Moniz, as his personal "calling" to help local kids who have not had an easy start to life.

This year, our son Mishko Kasjak was the recipient of the fundraiser. Mishko was born at 28 weeks with brain bleeding and oxygen deprivation, resulting in brain damage that affects his physical abilities, like walking, sitting, playing - day to day activities that his able-bodied peers don't even think about.

From the very beginning, we accepted Mishko as our Gift. Our Gift is in a special package - doctors call it Cerebral palsy. Mishko has to work very hard on his physical skills every day, and he does work extra hard.

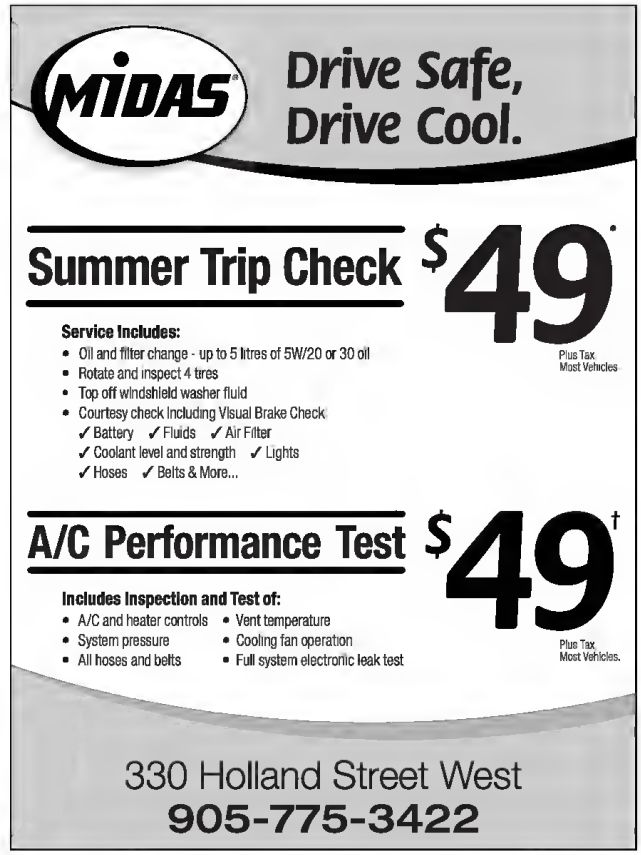

Thanks to Luis Moniz from Century 21 and all of the volunteers who worked hard to put together this golf tournament, Mishko will be able to continue with his progress towards a brighter, more independent future.

Luis Moniz, your inspiring, dedicated attitude and generous personality made a huge difference in Mishko's life. Thank you - and thank you to Century 21 Heritage Group, the many volunteers, prize donors, hole sponsors, golfers, South Simcoe Police officers and Bradford Firefighters - with your generous support, you all made an awesome day for Mishko. Thank you!

Life is a very precious gift. Never forget to enjoy and bask in every moment. To all our friends, neighbours and people of Bradford, for all your continuing support, we thank you.

- ***The Kasjak Family.***

Card of thanks

The family of the late Nancy (Agnes) Wright would like to thank all of our friends and neighbours for their support over the last 2 weeks. Thank you to Father Dan and our Trinity Anglican family for your support at this difficult time. A special thanks to Bradford Valley staff for their compassionate care of Mom over the last few years, especially their care of the whole family her last few days.
She was loved and she will be missed,

In memoriam

Wright, Thomas James
June 15, 1997 - July 6, 2010

In Loving Memory of our Precious Grandson
Tommy with every breeze that blows,
we think of you
For every tree that waves in the wind,
we miss you more.
Not a day goes by that you are not with us, your spirit is always near.
Love you forever,
Nana & Pappy Wright

In Loving Memory of a Darling Nephew and Cool Cousin
It's hard to know just what to say,
When one so young is taken away.
Far too soon he had to part,
His memory forever engraved in our hearts.
We only knew him for a short while,
But the life he led made us smile.
He was so handsome and oh so rare,
Life as they say just isn't fair.
Know that Tommy is watching from heaven above,
And with each ray of sunshine, he's sending his love
We Love You Always and Forever

Focus on Youth

Turning Points, at Holy Trinity

Holy Trinity High School students , winners in the 2012 Turning Points Essay competition. **Submitted Photo.**

by Vince O'Brien, English Dept. Chair HTHS

There were over 12,700 entries in the "Turning Points" program - a character development and literacy program for students in grades 6 to 12, that invites Youth to read, write and think about their fundamental values.

Through self-reflection and dialogue with teachers and peers, students write a narrative essay about a significant event - a turning point in their lives - and submit the essay to the contest run by The Learning Partnership. Judging is done at both the local level, by teacher candidates at York University, Glendon College and OISE/University of Toronto; and nationally, by authors, storytellers, editors, principals and community partners.

Awards are presented for 1st to 4th place, plus 5 Honourable Mentions, in each category.

Holy Trinity High School Teacher Vince O'Brien has been involving his students in the Turning Points competition since 2002 - and the contest has become a point of pride and excitement for the school community. Holy Trinity is the only school to have winning entries every year - more than 50 winning essays over its 11 years of participation.

This year, four students won awards for their "Turning Points" essays. In the Senior category, Jonathon Fry won 4th Place, and in the Intermediate category, Grade 10 students Tiffani Mocibob and Holly O'Brien both received Honourable Mentions, and Thomas Procher won 1st place.

Also in the Senior category, Jamie Franzyk won a Special Honourable Mention for his unique textual-visual essay. Jamie, who has Cerebral Palsy, is non-verbal.

Awards were presented at the Ontario Science Centre on May 31. Students, family members and Holy Trinity High School Principal Heinrich Bebie attended.

Pennies for Puppies

Miriam King photo, Bradford Times

They collected Pennies for Puppies, Nickels for Newts, Cash for Cats, Toonies for Turtles, Dollars for Ducks, and Loonies for Lizards. Students at Mother Teresa Catholic Elementary School in Bradford, involved in the Girls on the Run and Girls on Track programs, and their Coaches, launched a fundraiser for the Ontario Society for the Prevention of Cruelty to Animals, and in just 2 weeks raised a total of $310. On June 27 the girls presented the donation to Jennifer Baker of the Newmarket OSPCA.

Pennies for Puppies was the brainchild of 3 girls - Angela, Olivia and Veronica - who are not part of the running programs, but who have a deep love of animals, and inspired their classmates. "We feel like animals are our brothers and sisters," said Angela, who has 3 cats, 2 dogs, 2 frogs and a parrot at home.

Career Matters: Youth Employment tips

Summer is here. Students are looking for that perfect summer job - but where to start?

Begin by thinking about your interests, skills and abilities. Skills and abilities can range from work experience, to volunteer experience, and even school and life experience. To help you decide what kind of work might be suitable and enjoyable, try going online and taking a self-assessment survey, which can help you learn more about yourself and the jobs you should consider. Here are a couple of sites to help you get started:
http://www.youthskills.llsc.on.ca/?q=node/29
http://www.futurepaths.ca/youth/self-assessment.php

Once you have completed your self-assessment, and have an idea of the type of work you want, work on a good resume. It is important to know the type of work you are applying for to make an effective resume; a resume that is not tailored to the job is simply not effective.

Your resume should show what skills and experience you have, give the employer an idea of the type of person you are, and the kind of employee you will be. Need help with your resume? Visit **bradford WORKS** at 95 Holland St. W., where a variety of resources are available, free of charge.

Some companies may ask you to complete a manual or online application form. Make sure you have your resume with you, as a guide when filling out the application. Most online applications will ask for an uploaded copy of your resume as part of your profile.

One you have an amazing resume, the search begins. Networking has always been a great way to find work: tell everyone you know to tell everyone *they* know that you are job-hunting and what type of work you are looking for; don't forget to use social media like Facebook and Twitter to get the word out.

Another good way to find work is "cold calling" - looking up companies that you are interested in working for, and calling or dropping off a resume. They may not be hiring at the time, but you never know what tomorrow may bring.

Additional areas for job searches are online job search sites, such as Local Work at ***www.localwork.ca***, bradford WORKS at ***www.contactsouthsimcoe.ca/jobs.php***, and The Job Bank, ***www.jobbank.gc.ca/intro-eng.aspx***

There are government services and programs dedicated to youth employment, such as ***www.oayec.org/youth/finder/*** in Simcoe County. For those who are entrepreneurial and interested in starting their own business, the government offers the Summer Company program; visit ***www.ontario.ca/summercompany***

Next week: Preparing for the interview. *For free help with all areas of your job search, call bradford WORKS Community Employment Services at 905-778-9058 or drop by the office at 95 Holland St. W., unit 105.*

Fundraiser for Leia

In December of 2010, little Leia was referred to a paediatric specialist. It was eventually discovered that she was born with Partial Agenesis of the Corpus Callosum - a break in the connection between the right and left sides of the brain - and Kleefstra Syndrome. At 30 months old, she is developmentally delayed, does not walk, and is non-verbal, although she is participating in therapies. Family members are raising funds to send Leia and her family to a "Uniting Kleefstra Families Conference" in San Antonio, Texas in October - a trip that will include a visit to Morgan's Wonderland, a Special Needs amusement park.

Awareness bracelets are only $3 each from Melanie, 905-251-1138, Giorgia at 905-830-6250 or Mandie at 905-778-9451 - or donate to CIBC Account # 82-71895, Transit #01042.
